

Academy of the Arts students must submit the required audition or portfolio as detailed below.

Portfolios and auditions are utilized by the instructor to assess a student’s relative strengths and weaknesses within the area they are applying for. This allows the instructor to see a student’s passion for their art and to plan the programming for the incoming class.

Directions for Submitting the Instrumental Performance Video

1. The video should begin with you introducing yourself: first and last name, the grade which you are entering at MOT Charter School and a brief statement regarding your interest in the pathway for which you are applying.
2. Prepare a video of yourself performing two contrasting solos. State the title and composer prior to each performance.
3. Each instrumental performance should be 2-3 minutes long.
4. The instrumental performance should highlight your talents, strengths and passion as a musician.

Instrumental Performance Video

Interest in instrumental music performance	Reflects strong interest and potential in instrumental music performance.	Reflects moderate interest and potential in instrumental music performance.	Reflects limited interest and potential in instrumental music performance.
