

# Summer Food Service Program

Food That's In ... When School Is Out!

The Summer Food Service Program (SFSP) provides healthy meals and snacks to children when school is not in session. SFSP is a federally funded program operated by the U.S. Department of Agriculture (USDA) and managed locally by Delaware's Department of Education. The goal of SFSP is to ensure that children receive the nutrition they need to continue to grow, learn and play throughout the summer months!
