

This year, we are asking each student to complete a small project that will become part of an inspirational installation in their classroom or hallway. Instructions are below, materials (other than a picture provide by you) are included and samples are provided on the follow page. This project can be completed independently by older students; our youngest Mustangs may need some assistance.

You will need:

- 8 ½ x 11 sheet of white paper (provided).
- Mounting paper (provided).
- 4 x 6 photo of student.
- A quote that has meaning to the student or family. Quotes can come from anywhere: song lyrics, movies, books, etc.
- A single word or quality related to that quote (e.g. if your quote is “If at first you don’t succeed, try, try again” your single word could be “Perseverance”).
- A statement of intent related to the quote (e.g. “I will persevere even when work feels difficult.”)
- The student’s name should be somewhere on the front of the project.
- Writing can be handwritten or typed; please make it neat, not too small, and easy to read.

To assemble:

- You can arrange your items (photo, quote, single word, student’s name) in any way you like. Some examples are provided on the back of this paper.
- When you’re finished, please mount your project on the mounting paper provided by the teacher. If no mounting was provided, you can simply turn in the 8 ½ x 11 sheet of paper.
- This assignment is due by the first day of school; a great time to hand it in is when you bring in your materials to Open House.

We hope you have fun with this assignment and enjoy your summer!
