

2018-19 High School General Supply List

- 1- TI 83 or TI 84 graphing calculator (regular or plus version) for all math courses
- 1- thumb drive (labeled with your name) for electronic storage
- 1- single subject notebook where pages can be removed neatly, 1 two-pocket folder, pens/pencil.

Students may participate in PE wearing their regular dress code attire as long they change into sneakers. If students choose to change, **they may only wear solid color athletic shorts (mid-thigh or to the knee) or athletic pants and an MOT Charter spirit-wear t-shirt.**

1- small backpack to carry the above items. (No large or heavy backpacks in the building, there is no need, no storage & only limited extra floor space)

Any additional supplies will be course specific. List will be provided by course instructor.

Purchased from school:

1 – computer case (\$30.00 one-time* cost. This case MUST BE purchased at school to meet insurance requirements) for carrying the laptop during the school day

* Note: A lost case will incur a fee to replace

1 – school issued Chromebook laptop (yearly insurance fee: \$25.00 for 2018-2019 school year)

Reminder: Students are expected to be in dress code on day one. Order your uniform shirts/fleeces from one of our approved vendors as soon as possible. **Vendor list is on the reverse side of this page.**
