

Summer Learning

MOT Charter K8 opportunities for continued learning

MOT K8 Academy is providing resources for students to engage in academic content over the course of the 2021 summer. These learning opportunities are being created with the understanding that students benefit when engaged in academic activities over the summer. Our hope is that students enter the 2021-2022 school year confident and ready to learn.

Mathematics	All Students	<p>Zearn an online self-paced and individualized math program with accompanying workbooks for incoming grades 1st thru 5th.
